10 March 1950

25X1X

1. The recent redisposition of Communist armies in Kwangtung* is estimated [REDACTED] to have been carried out by Communist General LIN Piao to frustrate the growing influence of the Kwangtung-Kwangsi Border Column, which is commanded by TSENG Sheng (曾 生)**. This group is receiving preferential treatment from the Kwangtung Provincial Government and is becoming the personal army of YEH Chien-ying, who is mistrusted by LIN. A contributing reason for the redisposition is the fear of a Nationalist attempt to land in Kwangtung in cooperation with local guerrillas (C-6).

4 March 1950

2. On 4 March the "8 Regiment of the Yuesh Chung (岳 中) Division" arrived in Yangchiang (111-53, 21-52) with 200 trucks to be stationed there as a garrison force.

25X1A [REDACTED]

- 25X1A [REDACTED] Comment. The regrouping may also be caused by preparations for the Hainan invasion.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
